# A warm welcome from our Membership Director, Shawn Wray...

*My name is Shawn Wray, and I have been a part of the Fenelon Falls community for decades. While I have lived in Toronto and Vancouver I returned to the area about 10 years ago and am happy to call Fenelon Falls home. Working in hospitality and now in real estate I have had the opportunity to meet many local residents and business owners and look forward to meeting and speaking with you as your business is a valued partner in our community. As the Membership Director, I'm looking forward to working on some new projects that I believe will help encourage your business to grow and events that will become part of why we are so proud of our community.*

Yours truly,

Shawn Wray
